

Alexandria Gazette.

FRIDAY EVENING, SEPTEMBER 9.

THE JEWS OF JERUSALEM.—The Talmudic and Rabbinic Jews of Eastern Europe have a longing for the land of their fathers, of which the Israelites of Western Europe and of America know almost nothing. Trained in the traditions of centuries, they believe that God is especially present in the Holy Land; that the Jew who dies within the sacred borders goes directly to heaven while those of other lands must first pass through the purgatory of Gehinnom. The Messiah will first appear in Palestine, and the dead of that country shall rise first, and only they will receive again the spiritual body that was lost in Adam's fall. Such faith and hope, augmented also by the persecution of their people in Russia, Roumelia and elsewhere, have driven thousands and thousands of Abraham's children to Jerusalem, there to end their days and be interred in the sacred soil. The result of these causes is, that at no time since the expulsion of the Jews from Palestine by the Emperor Hadrian, 130-140 A. D., has the number of the people in Jerusalem been as large as it is now. For many decades no Jew was allowed to set his foot on the sacred soil. Benjamin, of Tudela, in 1170 recorded only two hundred Jewish families in Jerusalem, fifty in Tiberias, thirty in Ramle. In 1555 there were three hundred families in Jerusalem, ten in Hebron, three hundred in Saphed. Only in the present century has the immigration increased to a notable extent. In 1858 there were six thousand Jews in Jerusalem, and at present fourteen thousand—about one-half of all the inhabitants of the city.

Especially to Women.

"Sweet is revenge, especially to women," said the gifted, but naughty, Lord Byron. Surely he was in bad humor when he wrote such words. But there are complaints that only women suffer, that are carrying numbers of them down to early graves. There is hope for those who suffer, no matter how sorely, or severely, in Dr. R. V. Pierce's "Favorite Prescription." Safe in its action it is a blessing, especially to women and to men, too, for when women suffer the household is askew.

ADVICE TO MOTHERS

MRS. WINSLOW'S SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhea, griping in the bowels, and wind-colic. By giving health to the child it rests the mother. Price 25 cents a bottle.
